I contend that for a nation to try to tax itself into prosperity is like a man standing in a bucket and trying to lift himself up by the handle. -- Winston Churchill

"Beware the temptation to ignore the facts of history and the aggressive impulses of an evil empire and thereby remove yourself from the struggle between right and wrong and good and evil." --Ronald Reagan

"We're a nation with global responsibilities. We're not somewhere else in the world protecting someone else's interests; we're there protecting our own." --Ronald Reagan

The BIG Lie: "I didn't raise taxes once." --Barack Obama
("Once" is the only true part of that statement. According to [The Heritage Foundation](#) , "All told Obamacare contains 18 separate tax increases that will cost taxpayers \$503 billion between 2010 and 2019.")
