

PRESENTING... MONTCALM COUNTY!

A County- Level Orientation

Background: Presenting... Montcalm County! was developed by the Communications Workgroup of the **Montcalm Human Services Coalition** in partnership with the **Montcalm Alliance**. The program provides a broad overview of Montcalm County's demographics, systems and resources in a brief lunch-time format convenient for busy people. This is our sixth year. More than 230 people have participated to date.

Who Should Attend? Persons within area businesses and community organizations (e.g., human services, churches, school districts, law enforcement, health care, government, civic groups, etc...) that would benefit from information about Montcalm County. Specifically, this includes persons who are new to their jobs and/ or new to Montcalm County.

Benefits: Use information you learn about Montcalm County's demographics, systems, and resources in your professional capacities and your personal life. Enhance your community involvement and networking opportunities. PLEASE BRING BUSINESS CARDS OR BROCHURES TO SHARE.

TIME: 11:30 a.m.– 1:30 p.m. for both sessions
